

Privacy Policy Office 365 Gamification

Privacy Policy Last updated: 11 March 2019

The Cue ("us", "we", or "our") operates vergaderchallenge.nl (the "Site" or "App"). This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site and App.

We use your Personal Information only for providing and improving the Site and App. By using the Site or App, you agree to the collection and use of information in accordance with this policy.

Information Collection And Use

While using our Site or App, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you (i.e. login credentials). Personally identifiable information may include, but is not limited to your name ("Personal Information").

Log Data

Like many Site and App operators, we collect information that your browser sends whenever you visit our Site and App ("Log Data").

This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

In addition, we may use third party services such as Google Analytics that collect, monitor and analyze this information for the purpose of improving the functionality and user experience.

Communications

We only use your Personal Information to contact you for the purpose of engagement during the game. For example informing you about the start of a new mission.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, your experience with the site may be less optimal.

Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Data deletion

Your Data is stored in a secure encrypted (bcrypt) environment. To ensure privacy, individual data is not stored on an individual level, in this case answers are not traceable. To improve the game, data is used, but only after it has been completely anonymous and non-traceable. Resellers or employees may request to delete data by e-mail. This can be emailed to gaming@thecue.nl. The data is hosted

on special servers located in Serverparcs in Europe. Storage environment concerns the Microsoft Azure cloud Services in Amsterdam (The Netherlands).

Reference to other websites

This privacy statement applies only to this website and app. It may be that this website contains links to other website that are not managed and/or owned by the Cue. If you have reached a different website by clicking on this link, the privacy Statement of that website applies. The Cue is in no way liable or responsible for this website or for the privacy statement on this website. The Cue encourages you to visit this website to read their privacy statement carefully before continuing on their website. Transfer to processors and third parties personal data are processed by companies that are engaged by The Cue for the execution of the agreement. The law calls these companies ' processors '. The processors act under the responsibility of The Cue.

You can think of the company that provides the hosting of our website and app, namely the Organization [BLiS]. Personal data will also be shared with third parties as The Cue under a legal obligation to disclose personal data to competent authorities.

Your privacy rights

Data that is no longer needed will be deleted. You have the right to access, rectify, delete or restrict the processing of your personal data in accordance with the general Data Protection regulation. In order to prevent abuse and/or fraud, we will always ask you to identify yourself. If you create a profile on our website or app, you can view and modify the information you provide yourself.

Changes To This Privacy Policy

This Privacy Policy is effective as of 11 March 2019 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website. Contact Us If you have any questions about this Privacy Policy, please.

Contact us.
